

# Introduction to R

## Lab 5

We will install R and R studio and investigate some basic commands and operations.

## Installation

Download and install R and Rstudio:

<https://cran.r-project.org/bin/windows/base/>

<https://www.rstudio.com/products/rstudio/download/>

## Exercises

Read the “Introduction to R” slides on Brightspace.

Download and open the “Lab5 - Starter R Basics” r file from Brightspace.

Run the examples in the starter file and complete the blank commands, using the slides as a reference.
