<b>Part 1</b>	Work is complex involving data in multiple formats from a variety of sources. Exhibits elements of creativity e.g. problem solving.	Work involves data from more than 1 source. There are some challenging aspects to the work.	Work involves data from more than 1 source.	Work based on a single data source.	Significant departures from assignment brief.
<b>Part 2</b>	Exploration is in-depth and insightful, demonstrating an excellent understanding of key characteristics and patterns in the data.	Exploration covers a variety of relevant views on the data.	Exploration is sufficient but somewhat repetitive.	Exploration is limited and / or misleading.	Significant departures from assignment brief.
<b>Part 3</b>	Complex manipulations of the data in pursuit of latent trends that answer a series of probing questions.	Some complexity in terms of manipulations with a coherent basis for operations.	Good manipulation and analysis, feels a little contrived in places.	Basic manipulations of the data, work missing a clear focus and / or contains some inaccuracies.	Significant departures from assignment brief.
